### **Club Muzo. What's Happening?**

Club Muzo is held every 2<sup>nd</sup> Friday (8pm) of each month at the Narooma Sports & Services Club and is aimed at providing a venue for all musicians of all styles and abilities to build and share their talent. This includes poets, comedians and all entertainers, whether beginner or professional.

Club Muzo feeds/relies on community talent to roll up and perform a song or two, so please do not wait to be asked, as Club Muzo is open to everyone. This in turn creates variety, which Club Muzo needs to keep its warm and welcoming spirit alive.

**Feed back from both locals, out of town muzo's and supporters is "Club Muzo has a great warm, relaxed laid back feel".**

Club Muzo is smoke free and families are welcome.

The New Year for Club Muzo kicks off on Friday, February 13.
